- Thousand Oaks High School
- Honors and AP student
- Graduate of Oxford University AP Capstone 'The Center for Advanced Studies and Research at Thousand Oaks High School' \*\*
- ASB President 2014

\*\*A program where students critically research impactful topics and respond in their own way through extensive research papers and presentations. My most notable project was researching the dramatic progression of pop music since the 1950s and what caused such speedy progress. I interviewed many professional musicians and music executives from all over the USA to gain insight on the topic.
